Distinguished Members of the Assembly

As the semester is now well under way, I hope it has been a productive and enjoyable one for all. GAPSA has been busy with many events this fall and my efforts have been focused on helping to organize and promote these events. As a member of the programming committee I have been involved with the creation of event promotional materials and various organizational tasks to help host successful events.

I have also been focused on creating videos for GAPSA to promote our various events and to illustrate the issues in which GAPSA is involved. In the last month I have created videos to promote The President's Reception at the TCF Stadium, The Halloween Dance Party at The Front, and a video illustrating GAPSA's Public Affairs involvement called *GAPSA Goes to Washington*.

Other GAPSA related events/meetings I attended in the past month(s):

- GAPSA Office Hours-Mondays from 12:10-1:10.
- Video Planning Meeting, September 22.
- GAPSA/COGS Meeting, September 23.
- Programming Committee Meeting, October 7.
- Executive Board Meeting, October 7.
- President's Reception, October 14.

In the next month I plan to continue to help promote the remaining GAPSA events for the fall semester. I am currently working on a video to promote GAPSA's Family Bowling night. I also plan to create a video on the "Student Loans" Press Conference held with Kristi Kremers, President Bruininks, and Senator Franken.

ANNOUNCEMENTS:

If you have any ideas or suggestions for GAPSA videos please let me know.

Thank You,

Lindsey Lahr
