Distinguished Members of the Assembly,

I hope that the beginning of the new academic year finds everyone well and the last few weeks have been positive ones.

Over the last month(s), since I was appointed, I created the healthcare breaking news update video. This video is currently on the GAPSA web site to remind graduate students with graduate assistantships they need to reenroll in order to receive coverage.

I attended the Humphrey Institute Graduate Orientation as well as the Carlson School's Executive MBA Graduate Orientation as a representative for GAPSA.

Other GAPSA related events/meetings I attended in the past month(s):

- Executive Board Meeting, August 12.
- GAPSA Retreat, August 15.
- GAPSA Open House, September 9.
- Welcome Back Dance Party, September 10.

During this academic year I will be chairing the video committee and plan to outline and conceptualize multiple videos during the coming month. The videos will be designed to show how GAPSA serves graduate and professional students, as well as provide information on any graduate and professional student updates.

I am also serving on the programming committee and looking forward to assisting the programming committee in planning up-coming GAPSA events.

ANNOUNCEMENTS:

I wish everyone the best this semester!

Thank You,

Lindsey Lahr
